NOTE FROM THE FOUNDER

February was a month of realization, self-discovery, and a renewed clarity on strengthening our vision for the Infiniti Connects community. While we had to make the difficult decision to close down the Infiniti office, our mission remains steadfast, and our work continues with even greater determination.

This month marked several milestones, including our first-ever Business Mixer and the long-awaited Discovery Day at an external venue, both of which reinforced the power of meaningful connections. We are excited about the fresh energy our new team members bring.

As we move forward, the future of Infiniti Connects is stronger than ever. With a new tenure of the Executive Committee in place, we are committed to expanding opportunities, fostering deeper collaborations, and creating more impactful experiences for our members. The road ahead is filled with promise, and together, we will continue to grow, evolve, and make Infiniti Connects a powerhouse of networking and business growth.

Let's embrace the journey ahead with renewed enthusiasm and purpose!

LUCKNOW'S BUSINESS MIXER

17 Feb 2025

NETWORKING WITH STRANGERS

The mixer began with an interactive session featuring practical tips on networking with strangers, including real-life examples. Members also shared their personal experiences, making it an engaging and insightful start.

SPEED NETWORKING

Next was the speed networking session, where members engaged in quick, structured conversations to maximize connections. This fast-paced format allowed everyone to introduce themselves, exchange ideas, and build new relationships efficiently.

GREAT AMBIENCE

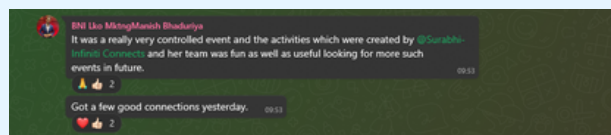

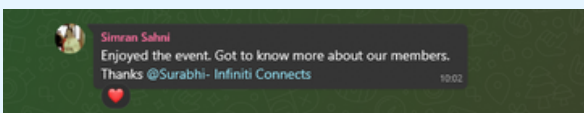

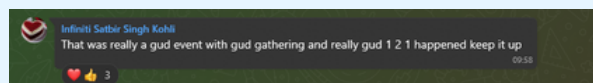

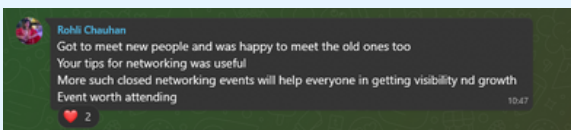

Great networking thrives in the right atmosphere, and our event ensured just that—with a warm ambiance and excellent coffee, creating the perfect setting for meaningful conversations and connections.

POWER TO GROW

A business mixer is the perfect opportunity to expand your network in a structured yet engaging environment. The right ambiance, great coffee, and shared experiences make it both productive and enjoyable.

FEEDBACK LIKE THIS :)

Whether you're looking to grow your business, find collaborations, or simply refine your networking skills, a Business Mixer is the place to be! Next one is scheduled in mid-April 2025.
